

# The Savannah II

4 Bedrooms | 4 Baths

Patrick Square

One of Patrick Square's most popular floor plans. This versatile design is crafted with unique style and comfortable living in mind. A flex space and upstairs suite offers additional privacy for family or guests. The Savannah two-story offers several different elevation options that honor authentic Traditional Neighborhood Development principles. This means no two homes in Patrick Square are identical and each streetscape has its own charming, hometown feel.
